

CYBER LAW AND ETHICS ASSESSMENT PAPER

Subject: Cyber Law and Ethics

Total Marks: 10 Marks

Time Allowed: 45 Minutes

Date: July 3, 2026

Instructions to Candidates:

- Answer all questions clearly and concisely in your answer booklet.
- Structure your analysis with appropriate headings and logical arguments.
- Both questions carry equal marks (5 marks each).

Question 1

[5 Marks]

An e-commerce website was attacked during a festival sale. Later investigation revealed weak password policies and outdated software. Analyze the planning mistakes that allowed the attack to succeed. Explain how vulnerability identification and timing strategy played a role.

Question 2

[5 Marks]

A company experienced a DDoS (Distributed Denial of Service) attack during a public product launch event. Analyze why attackers might choose specific timing and attack methods. Compare the impact of poor preparation versus strong cybersecurity planning.
